CULINARY INNOVATION AND NEW PRODUCT DEVELOPMENT

Product Description

Dates Jerky, is a tantalizing fusion of natural sweetness and savory flavor, Crafted from premium quality dates, our jerky offers a guilt-free snack that satisfies both your sweet cravings and your hunger pangs. This jerky also has a unique taste hint from cumin and coriander so this product has its own charm. So this product is a plant based product where all audiences can consume this product and this product is also good for health such as maintaining heart health, maintaining bone health, rich in fiber, a source of energy, and regulating blood sugar.

TRIAL PROGRESS (50 – 100 WORDS)

In terms of taste, this product has a taste that tends to be sweet with a strong hint of cumin and coriander. but in this experiment there was a stronger cumin taste so for subsequent preparations it needed to be reduced. Then, in terms of texture, there are some parts that are thicker because there are lumps of dates that haven't been blended well

NOTES :

1. Sudah menyerupai dendeng, namun tekstur masih terlalu lengket dan rasa masih agak mengambang.
2. I dont like this product
3. Good job
4. all good
5. Lengket texturenya
6. aromanya kurang strong, teksturnya keras. rasanya cukup oke
7. Taste good
8. Rasanya agak pahit, dan terlalu chewy untuk dendeng
9. taste like south sulawesi style beef jerky. Texture would be nicer if it's firmer
