

OKRA SYRUP

Ingredients :

Okra 100gr

Water 200ml

Sugar 200gr

Steps :

1. First, cut the okra into small pieces
2. Put the small pieces of okra in the water and keep it in the refrigerator for 1 night
3. The next day, the okra will make the water become slimy
4. Remove the okra, and then keep the water
5. Boil the water with sugar, until all the sugar dissolved
6. The okra syrup is ready
