# RECAPITULATION OF INDUSTRIAL TRAINING ACTIVITIES

Name : Michella Augustine Setyawan

Study Program : D3

Placement of Industrial Training : DROOL Bakery
Field of Work : Pastry and Bakery
Activity Notes : Month I/II/III/IV/V/VI

Week	Description of Activities
I (6 Jan - 12 Jan)	In the first week of my internship, I started my activities with an introduction to the work environment in the kitchen, especially the pastry and bakery sections. The staff explained the differences between the two, where the pastry section focuses on products such as cakes, tarts, and desserts, while the bakery processes more bread and croissants. In addition, I was also introduced to various tools commonly used in the kitchen, such as mixers, ovens, ice cream machines, and other equipment that is important in the production process. On the second to sixth days, I started helping directly in the cookies production section, such as weighing ingredients and helping to shape cereal croissants for outlet orders.
II (13 Jan - 19 Jan)	In the second week of my internship, I started to learn the finishing process for pastry and bakery products. I also learned about product finishing, such as decorating cakes and adding toppings according to the specified standards. In addition, I also helped with various staff needs in the kitchen, such as weighing ingredients according to the recipe, cutting butter for making salt bread, and cutting fruits used as toppings.
