CHAPTER V

CONCLUSION

5.1 Conclusion

Pinnapple juice is actually already common nowadays but to combine it with cucumber is something new for me, somany nutrient combine into 1 set juice that you can instant to consume it, people will know that all fruit in this world always have good effect for our body.

I believe many people will like this instant product since people nowadays to really want to have health, looks young and look fresh everyday even they busy with everyday work, you can consume this anywhere, everywhere since this product is instant, people wont disepointed with the result to consume this everyday.

5.2 Suggestion

People who don’t like juice fruit or vegetable, I will suggest to consume this since the taste is almost no different to original honey with little bit sweeter or kid that usually don’t like bitternes from cucumber can consume this before go to school at morning.
