

CHAPTER 6

6.1 CONCLUSION

1. Durian seeds have many fiber and high protein, carbohydrate, and protein a lot of benefit to our body
2. The product price is 10K IDR
3. Our target market are adult, elder, children
4. My product is using a natural ingredient

6.2 SUGGESTION

Early start this business is not easy because need some funds to start business, need to perfect the product and it's consistency such as the taste, flavor, and good packaging to make consumers love our product and it takes time to make these product preferred by consumer, the price of Dusse itself is quite affordable so all class of people can afford it just the marketing that needs on runway, soon our product will provide many new innovation like more different taste, new packaging model, etc.
