PREFACE

First of all, I want to thank God for his blessing and guidance so that I can finish this Entrepreneur report. The main purpose for this report is based on the entrepreneurship result conducted by the Author during the 6 months process. Help each student to be more creative and innovative as we have to create something new. The reason why I could get an idea to make this brand is because I want to make my brand one of the main brands that have its own characteristics that are certainly different from other brands.

During this process of completing this report, I received so much guidance and support. By this, I would like to express my gratitude to the names below:

1. My parent who have supported me and provided me to achieve good education.
2. My dearest friends, Ms. Vannia Callista, who have help me by a lot of guidance and suggestions.
