MONCHEE

Vegan Ginger Almond Feta Cheese With Many  
Healthy Benefits

**MONCHEE**

MONCHEE

## ABOUT US

- **MONCHEE (Small and Medium Business)**

MONCHEE is a cheese product based on online shop which is made from nabati protein. We using best quality ingredients, especially for our main ingredients, Almonds.

We trying to make unique cheese and different with usual cheese. We focused on people who on Vegan diet, Vegetarian, or people who can not eat cheese which made from diary milk. Eventhough we made from nabati, we still maintain the nutrition and taste.

# OUR PRODUCT

- **Vegan Ginger Almond Feta Cheese**

This product is a analog cheese, which made from Almond milk, and the texture likely feta cheese. That's why the name is Almond Feta Cheese. And we add some ginger flavor, to make the cheese more flavor-full.
