Vision Mission

VISION

Become a successful company in the field of beverages that can create products that have good nutrition, many benefits and are useful for consumers, especially drinks that are much in demand

MISSION

Add variety to healthy drinks in Indonesia, Creating healthy communities, Creating new products and continuing to develop existing products

CV Bintang Jaya is a company engaged in beverages, especially alcoholic drinks and first founded in 2020. CV Bintang Jaya is located at Jl. Mayjen Yono Suwoyono No. 100, Surabaya, East Java

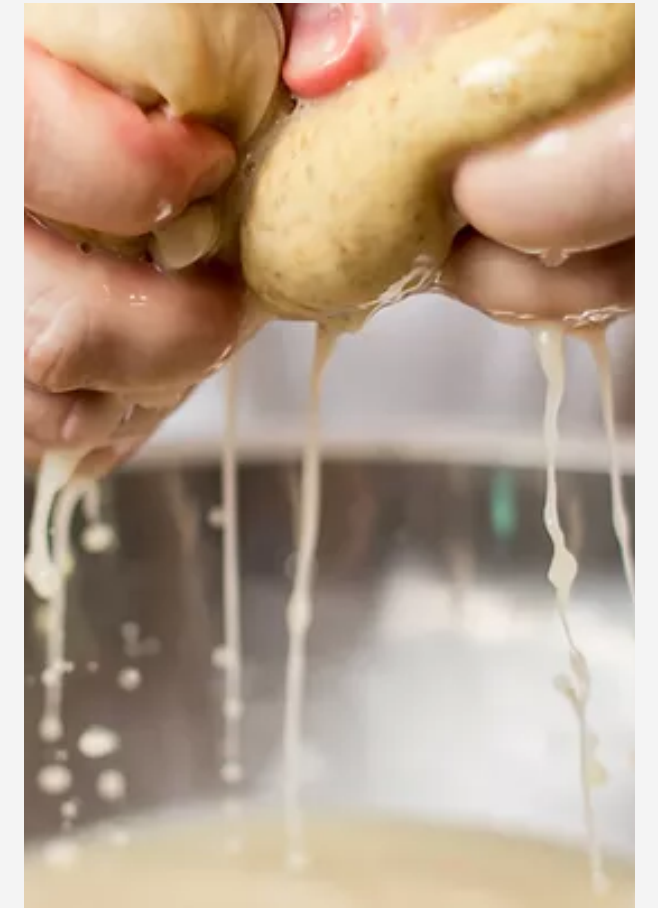

At this time we have released many beverage products in Indonesia including alcoholic drinks namely Makgeolli. We created this Korean drink using ingredients in Indonesia

This makgeolli is basically rice wine. We created our own healthier version of Makgeolli which we named "Multigrain Makgeolli" this product is the first Makgeolli in Indonesia based on combination of multigrain and rice.
