

SUMMARY

Hospitality means to serve kindly guests or strangers. Hospitality branches out to several division; health, culinary, sanitation, and hotel management.

Internship is one of the activities which support students to increase their knowledge of the outside the academy. The internship activity was carried out in Noach Café and Bistro. It was made for guests to relax and socialize with their friends and family in a comfortable and unique space while enjoying food and beverages leisurely.

Noach Café and Bistro is divided into two division; Pastry and Culinary Kitchen. The pastry division are responsible for anything to do with baking, pastry and dessert. The culinary kitchen are responsible for preparing food and orders from the menu.

In general, the objective of the internship in Noach Café and Bistro was to achieve more knowledge. Knowledge that could not be achieved in the classroom would be available in the real work environment.
