

PERFACE

The final report entitled “Research and Development Project Milkfish Bak Kien” is written to fulfil the requirement for joining internship program. Through ups and downs faced during the writing process, the researcher wants to express her gratitude and happiness to:

1. Ms. Latifahtul Rahmah, S.Pd.M.Pd as researcher’s RnD advisor and academic advisor, who gave her time for mentoring and supporting the research in order to finish this thesis on time.
2. Mr. Zaldy Iskandar, B. Sc as the Head Director of Ottimmo International.
3. Ms. Hilda Tjahjani Iskandar, S.E.,S.Ak.,C.A.,M.M as the Head Study Program at Ottimmo International.
4. God for his blessing and grace so that the researcher can start and finish this report on time.
5. Mr. Kho Sugeng Wibowo and Ms. Evi Mariawati as writer’s parents for their endless support, prayer and love. Also, Yohana Cahya Wibowo as researcher’s sibling for her support. Without them, the researcher can never finish the report.
6. Ruth Violina Gelombang as researcher’s best friend since the beginning of everything and the one who helped to finish the thesis on time.
7. Fiona May as researcher’s friend who help to make design for logo and packaging.
8. All the lectures who have taught the researcher patiently and passionately, also being supportive so that the writer ca finish this RnD with all lessons learned.
