

PREFACE

First of all , I would like to thank to my God, Buddha Gautama for his blessing and the support of good karma I was finally able to finish my Research and Development Report. The reason why I come up with the idea of making Tolo Chips because I want to create a delicious, and healthy snack so that everyone can enjoy this snack.

In addition, of course this report could not have been completed without help and support from so many people. Therefore I would like to express my gratitude to all those who have assisted in the completion of this report. Last but not least I wanna thank me ,for doing all this hard work, for never quitting, for just being me at all times. I also realized that this report is far from perfect, therefore I really hope for criticism and suggestions that will be useful in improving this report. I also hope that this report can be useful for many people.
