NOTES :

- After taste pahit
- It's good that you have already found the solution of the bitterness. But please reconsider the use of sugar or any kind of sweetening because the sweetness is overkilling the whole product
- Paaaahiiittt bgt cakenya. Meskipun dari segi aroma dan kenampakan bagus tapi kalau rasanya kayak gini juga g bisa diterima wincent !
- After taste masih sedikit pahit, meskipun sudah lumayan berkurang dibandingkan sebelumnya
- Too sweet and a bitter aftertaste
