

CHAPTER III

INTERNSHIP ACTIVITIES

3.1 INTERNSHIP ACTIVITIES

The activities carried out each shift are checking all existing preparations, refilling them, replacing them with new ones if something is rotten. Prepare the cutting board and all the tools needed during the shift, prepare the set up. And at the end of each shift, intern has to clean each station and clean a certain place according to the schedule. If intern enter the closing shift after each finish, intern must return the utensil to its original place and clean up the setup.
